

# Still [C]

[Default Arrangement] by Jon Slater, Brooke Nicholls

## VERSE 1

C/E                    F        Am                    G  
In every struggle in every pain  
C/E                                    F        Am                                    G  
Through all of the hurting the places I've been  
C/E                                    F        Am                                    G  
I know it's refining but it hurts just the same  
C/E                                    F        Am                                    G  
Before I can feel it my answer will be

## CHORUS 1

                                  Am        F  
Still I will praise  
                                  C                    G  
Still I will praise You Lord

## VERSE 2

C/E                    F        Am                                    G  
In every season Your promise remains  
C/E                                    F        Am                                    G  
Through every heartache You never change  
C/E                                    F        Am                                    G  
My worship's an offering an anthem of faith  
C/E                                    F        Am                                    G  
Before I believe it my answer will be

## BRIDGE

                  F                                    G                                    Am                                    G  
My hope will be eternally Your faithfulness remains  
                  F                                    G                                    Am                                    G  
(So) my song will be of victory, O God You make a way

## CHORUS 2

                                  C        F  
Still I will praise  
                                  Am                    G  
Still I will praise You Lord
